Media Advisory

The agenda for the February 27, 2008 meeting of the Rules, Open Government and Intergovernmental Relations Committee of the San Diego City Council has two items:

- A report from the Ethics Commission regarding a proposed change to the Ethics Ordinance, SDMC 27.3551, concerning a provision about future employment for City staff members. The Ethics Commission concluded that when the ordinance was adopted in 2002, it should have included an exemption for public agencies. The current proposal would rectify that.
- A presentation from the County Water Authority (CWA) on various water supply issues as part of the CWA's ongoing updates to the Rules Committee. The presentation includes an overview of short-term water conditions, conservation efforts, long range planning, diversifying San Diego County's water supply portfolio, City-10 delegate participation and community involvement.

The Rules Committee will meet tomorrow, Wednesday, February 27, 2008. The Rules, Open Government, and Intergovernmental Relations Committee meets one to two Wednesdays per month at 9:00 a.m. in the City Council Committee Room, 12th Floor, City Administration Building located at 202 C Street in downtown San Diego.
